The Story

Lawnmageddon tells the story of a group of survivors who are trying to rebuild their lives after a zombie apocalypse. They have set up a new community in a suburban neighborhood, but they are constantly under attack from the undead. The only thing that stands between them and certain death is a group of genetically modified plants that have been specifically designed to fight zombies.

The plants are led by a wise old oak tree named Old Man Willow. Willow is a powerful warrior, but he is also a kind and compassionate leader. He believes that the plants and the humans can live together in peace, but he knows that they must first defeat the zombies.
