This comprehensive guide covers everything from situational awareness to hand-to-hand combat. You will learn how to avoid dangerous situations, how to de-escalate conflicts, and how to defend yourself against a variety of attacks.

The Covert Street Warrior Self Protection Handbook is written by John "The Warrior" Smith, a former law enforcement officer and military combat veteran. Smith has over 25 years of experience in self-defense and has trained thousands of people in the art of covert self-protection.

What You Will Learn From This Handbook

This handbook will teach you:

* How to assess danger and avoid dangerous situations * How to de-escalate conflicts and prevent them from becoming violent * How to defend yourself against a variety of attacks, including punches, kicks, grabs, and weapons * How to use everyday objects as self-defense weapons * How to stay safe in a variety of situations, including at home, at work, and on the street * How to develop a mindset of self-reliance and confidence

Why This Handbook Is Different

There are many self-defense books on the market, but The Covert Street Warrior Self Protection Handbook is different. This handbook is:

* Comprehensive: It covers everything from situational awareness to hand-to-hand combat. * Practical: The techniques in this handbook are easy to learn and can be used in real-life situations. * Covert: The techniques in this handbook are designed to be used without looking like a threat.

Who Should Read This Handbook

This handbook is for anyone who wants to be able to protect themselves without looking like a threat. This includes:

* Men and women of all ages * People who live in dangerous neighborhoods * People who work in high-risk jobs * People who travel frequently * People who want to develop a mindset of self-reliance and confidence
