## **How to Use the Tin**

The Fishing and Trapping Survival Tin is easy to use. Simply open the tin and remove the contents. The fishing gear can be used to catch fish in lakes, rivers, or streams. The trapping gear can be used to catch small animals, such as rabbits, squirrels, or birds. The other supplies can be used to start a fire, treat injuries, purify water, and provide food.

## **Fishing**

To fish with the Fishing and Trapping Survival Tin, simply tie a hook to the end of the fishing line and bait it with a lure. Cast the line into the water and wait for a fish to bite. When you feel a tug on the line, reel in the fish and remove it from the hook.

## **Trapping**

To trap an animal with the Fishing and Trapping Survival Tin, simply set a snare or trap in an area where the animal is likely to travel. Bait the trap with food and wait for the animal to be caught. When the animal is caught, dispatch it quickly and humanely.

## **Other Supplies**

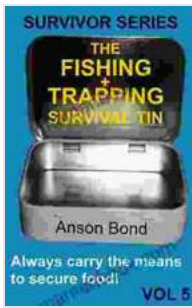

The other supplies in the Fishing and Trapping Survival Tin can be used for a variety of purposes. The fire starter can be used to start a fire, the first aid kit can be used to treat injuries, the water purification tablets can be used to purify water, and the food rations can be used to provide food.

## **Tips for Using the Tin**

Here are a few tips for using the Fishing and Trapping Survival Tin effectively:

- Be sure to practice using the fishing and trapping gear before you go into the wilderness.
- Choose a good location to set your traps or snares.
- Be patient when fishing or trapping.
- Use the other supplies in the tin wisely.
