## The FlyLady System

The FlyLady system is a simple, yet effective way to declutter your home and keep it that way. It's based on the following principles:

- **Start small:** Don't try to tackle your entire house all at once. Start with one small area, such as a desk or a closet.
- **Declutter regularly:** Schedule regular time each week to declutter your home. Even 15 minutes a day can make a big difference.
- **Use daily routines:** The FlyLady system includes a number of daily routines that will help you stay on track. These routines include making your bed, decluttering the kitchen sink, and sweeping your floors.
- **Be kind to yourself:** Decluttering can be a challenging process, so it's important to be patient and kind to yourself. Don't get discouraged if you don't see results immediately. Just keep at it and you will eventually reach your goals.
